

Trainers are reminded of the following health and safety concerns at Callaghan Park - Alarminglly, used syringes have recently been found in tie up areas and bins on course. For obvious health and safety reasons and by order of **QRIC** stewards, trainers are reminded that under no circumstances are syringes to be brought on course tie up area.

Trainers also please note that children are not to be left unattended around stable areas / barns / swimming pool area. It has also been brought to the clubs attention that dogs are being brought on course. Dogs are not allowed in the tie up area or barn areas.

The Club would appreciate everyone's co-operation in ensuring the health and safety of all racing participants and visitors to Callaghan Park.
